

Introducing a new way to reach our clinic

<Practice Name> is committed to providing convenient access to world-class care, whenever and wherever you need it. We also know that coming in or giving us a call is not always convenient. That’s why we now offer patients the ability to message our practice via Spruce. Download the app or sign in on your desktop.

With Spruce you can:

Send secure messages

Complete digital payments

Connect via video calls

Attach secure files

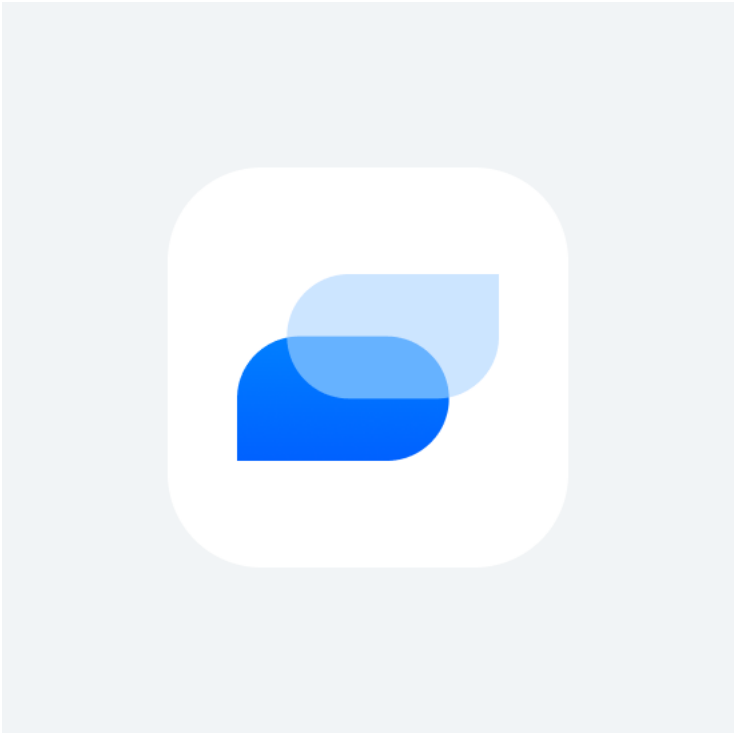

Ask questions at any time

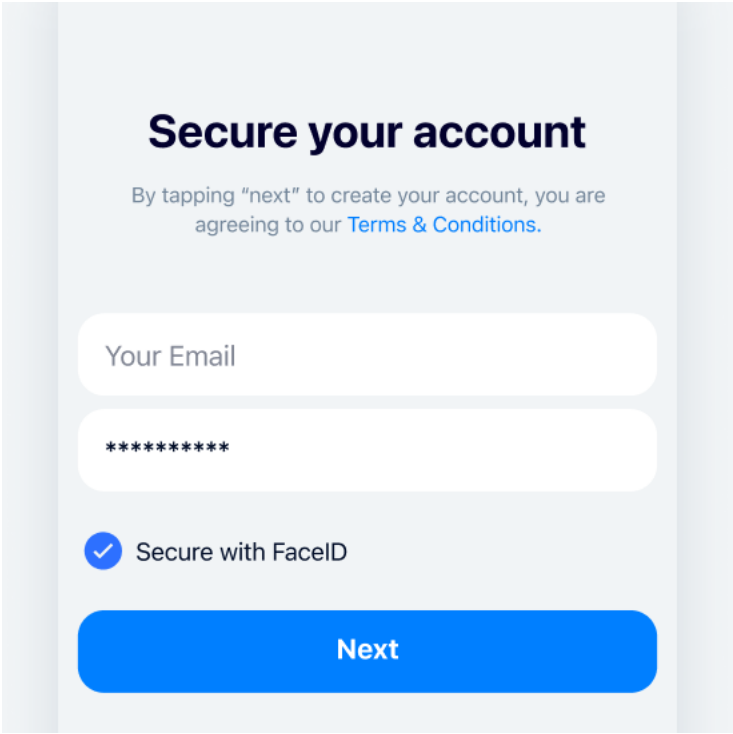

Fill out medical questionnaires
